Dear Member,

Well we're at the end of another season, and whilst we might not have been that successful in the cup competitions, we've certainly done well in the league.

Our B, C and F teams are flying high in their respective leagues. So there should be plenty of silverware to be collected at the annual presentation dinner. Which if you weren't aware of is to be held this season on Friday the 21st of April, at Horwich RMI. Tickets are available through your captains; all ticket orders need to be placed by the 14th of April. I've sent a copy of the order form to all captains, can they please make sure that all orders are placed by this Friday.

Summer club will once again be running from Friday the 28th of April. This year the club will once again be open to everyone, members and none members. The night will also be split into sessions, providing coaching to beginners and intermediate players, after which the courts are open to all standards. Attached is a copy of the flier, which is also posted on the website. So please make copies and distribute to friends and colleagues.

This years AGM will once again be held at the Lostock Arms on the 18th of May from 7pm. Turn out for this meeting has previously been poor. However this is your club and your opportunity to have your say to the members of the committee. Can you see yourself as the next chairman/woman, or does the idea of being social butterfly take your fancy. Come down to the AGM and have your say. Even if you don't want to volunteer, it's a great opportunity to meet all the team captains and players and have a bit of a chinwag and a drink.

Hopefully we've all had a good season playing badminton and we can expect more success for our teams next season.

Have a great summer and hopefully we'll see everyone down at summer club.

**Yours,
Club Committee**
